*The pirate crew is lying about the ship looking bored and down-trodden. There is a monotonous metronome heard but ignored as if it were made by the rigging or the rocking of the ship. One or two pirates temporarily act as narrators by singing.*

**Wellerman Lyrics**

**Gracie:**

There once was a ship that put to sea  
The name of the ship was the Billy O' Tea

The winds blew up, her bow dipped down  
Who knows how far we'll go

**Anna Grace:**

She'd not been two weeks from the shore  
When our captain said, \*stomp\* "we should sing more"  
The crew looked up and thought real hard  
for a song that they all know.

*Captain:* "Go!"

**ALL:**

Soon may the Wellerman come  
To bring us sugar and tea and rum  
One day when the tonguing is done  
We'll take our leave and go

**Kingston:**

Travelling through the hallow waters  
Sunrise comes and we aren't bothered  
Sailing through the great landwaters  
As we go down low

**Avery:**

We're out in the middle of the clear wide water  
Many people see sea otters  
The waves crash down salty water  
It stinks while we row

**ALL:**

Soon may the Wellerman come  
To bring us sugar and tea and rum  
One day when the tonguing is done  
We'll take our leave and go

Soon may the Wellerman come  
 To bring us sugar and tea and rum  
 One day when the tonguing is done  
 We'll take our leave and go

**Olivia:**

My pet parrot was so haggard  
 He's old, he's sick, and his feathers are tattered  
 He starts to wobble, he starts to fall  
 Who knows how far he'll go

**Grace:**

The thunders rumbling, the waters real rough  
 It not yet matter, our men are real tough  
 My friends and family, I miss you lots  
 I can't wait to go home

**ALL:**

Soon may the Wellerman come  
 To bring us sugar and tea and rum  
 One day when the tonguing is done  
 We'll take our leave and go

Soon may the Wellerman come  
 To bring us sugar and tea and rum  
 One day when the tonguing is done  
 We'll take our leave and go

**\*CLAP\***

**Captain Claw**

*[in a downtrodden tone]* Aye, we will take our leave and go. Soon, come nightfall, our voyage will be finished as we make our final port.

**First Mate Anne**

It's been a rough passage Captain.

**Captain Claw**

And we have little to show for it; no food, no treasure, and no life left in this sorry crew.

**Jack**

*[to the audience]* Aye and look at the lot of em'

**Pirate Avery**

A motley crew they are. Boasting about their own treasures.

**Lilah**

Ye think they have room for a new pirate. *[CREW Reacts]* What? It's an honest inquiry.

**Jefferson**

*(Suddenly)* I think I'm going to be sea sick.

**First Mate Anne**

Let us hoist those spirits! *[to CREW]* Muster Mates and Toe the Line!

*[CREW lines up before the mast of the ship]*

**First Mate Anne CON'T**

Tell us the ventures that call ye' to be Pirates!

**Jessie Depp**

Aye I long for the late nights where I am fishing for sea creatures. One night I caught a breed shark off the banks of zanzibar with this very—

**Georgie**

Yes yes we know. But what I like is spending the gold in ports and finding my own treasures.

**Katy**

And I often am the one finding the gold you like to spend so much.

**Lilah**

You use the gold up in one place. Take it from me, I hoard some of the treasures under my cot and the captain doesn't know. Don't tell 'em.

**Pirate Avery**

You always focus on the gold. I prefer the adventure of finding it. Traversing dangerous elements, the mighty sea, for the sweet sweet reward of adventure!

**Tara**

Yes yes! Steering the boat and following the map to find the treasure is so fun!

**Jack**

Personally, I like gold teeth and I have nine myself. Take a look!

**Jefferson**

I'd rather not. But I'm with you Avery, I like adventures and seeing new things. No two places are ever alike!

**Alex**

Yes! I favor going onto mysterious islands like ones with strange colored berries. Don't eat them, they might be poisonous.

**LeBron**

And I like to make the other pirates walk the plank!

*CREW reacts and the LEBRON looks mischievous as ever! PIRATES freeze. The mermaids come into view and have a conversation on the rocks.*

**Ophelia**

Hey, do guys hear that?

**Shelly**

*(Shriek)* Pirates! They're- Not attacking us? Are they upset?

**Alyana**

Why are they so sad?

**Pearl**

I wonder if there's a way we can help them?

**Violet**

Why should we? Some crew of pirates took our Poseidon Pearl 300 years ago and now you want to help this motley crew!?

**Velvet**

We've come so close to finding our pearl.

**Briggs**

It could be with this crew and we must act fast before they reach the port.

**Lia**

You're right. This is our chance!

**Aqua**

We must alert MerMajesty Cordelia at once!

*MERMAIDS get up to exit.*

**All Mermaids**

MerMajesty Cordelia! It's urgent, it's urgent!!

*MERMAIDS exit the stage. PIRATES regain their movement but it's really awkward on board after a sappy moment.*

**Captain Claw**

Well we'll not disembark without our spirits still aloft!

[THUD] *The ship runs aground and the CREW is tossed about, much to the MERMAIDS entertainment.*

**Captain Claw CON'T**

What curses have Neptune brought down on us?!
